

Christ's Co-Mission International

Newsletter #36 Second Quarter 2008

Loved By Jesus School, supported by so many of you, grew to over 300 students this past school year. We ask that you remember us in prayer as we open a new school year. There are significant opportunities to impact students (Pre-K through 8th grade) and their families with the love and purposes of Jesus. Additionally, the mission has provided part time employment to dozens of needy Christians. You are welcome to help us help them.

As indicated on our website, "CCMission provides opportunities for those interested in involvement in developmental missions".

Opportunities include prayer, providing funds, auditing, dismantling donated items for shipments, etc. We also have opportunities for those with expertise in agriculture, computers, education, mechanics, rainwater storage, etc.

Development is a constant challenge but we are thankful for the opportunities that the Lord extends to us to enter into the struggle of others through this Co-Mission. Our approach is to get into the trenches "with" brothers and sisters so that we can help each other grow in practical areas of Christian living.

Each one of us have abilities and expertise. May we use them, wherever we are, for the glory of God.

Students humble themselves before the Lord in prayer and learn teamwork through human tug of war.

We welcome Mrs. Renee Carlson to Christ's Co-Mission's Board of Directors. Renee has been a CCMI Partner since 2005, an intercessor, and has served faithfully as the mission's Shipment Coordinator. She and her husband Roger recently returned from a mission's trip to Russia with other members from their church.

News: For several years CCMI has been operating as a public charity under an IRS advance ruling. We are pleased to announce that the IRS has determined that CCMI is formally "...classified as a public charity and continues ... to be exempt from Federal income tax under section 501 (c) (3) of the Code".

Jesus never fails. Keep praying!
