

Christ's Co-Mission International

Newsletter #40 Second Quarter 2009

A formerly reluctant young teacher leads devotions

Students fetch water

No, there is nothing too difficult for God!

With international attention on Ghana this past weekend, it is good to hear the US President echo some of what the Lord has already revealed to our little **developmental** mission: "the true sign of success is not whether we are a source of perpetual aid that helps people scrape by — it's whether we are **partners** in building the capacity for **transformational** change ...supporting **development** that provides **opportunity** for more people."

Christ's Co-Mission International, Inc. believes in transformational change as the Holy Spirit enlightens minds to the Truth and revolutionizes hearts to fall in love with Jesus.

In ministering to an oppressed world, this Co-Mission attempts to: "...**develop** long-term economic solutions, ... we **partner** with Christians globally who share CCMission's vision to impact the world for the risen Lord and to apply Kingdom principles to lives and ministries. By God's grace, CCMission proclaims devotion to Christ and prepares Christians to better care for their families, support their churches, reach the lost, and disciple believers."

The mission provides skills training Pre-K students like to proclaim "Jesus loves you!" Co-op maize contracts were honored ©

God has provided a platform in Odumase-Krobo upon which to **develop transformed hearts and lives**. In 2002, we established the Ghanaian charitable organization, Prime Meridian Opportunities: "We are Africans and Americans working **together** to fulfill Christ's Great Commission. Our purpose is to develop mature disciples of Jesus Christ. This will be done by **developing** educational, economic, evangelistic, and discipleship **opportunities** for Christians engaged in propagating the Gospel. May God's Kingdom come and His will be done."

Loved By Jesus School is a vital ministry of PMO. We are scheduled to add ninth grade in September which means we will have our first Junior High graduation less than one year from now. Your prayers for these dear, but "typical", adolescents will reap a spiritual harvest. Their temptations are similar to those in the US. Lord help us! What an **opportunity**!!

"Seeking first His kingdom with Christians globally"
