

Christ's Co-Mission International

February - March 2006 Newsletter

At CCMI's affiliate in Ghana, Pastor Oscar is a long-time member of the mission. He is one of its primary intercessors and oversees the Chapel program at Loved By Jesus School. He often works part-time on maintenance projects to earn money for his family. At times, the mission has also hired his wife to produce batik (colorful dyed fabric). His involvement, as well as his godly wisdom, has been a blessing. Those who attended CCMI's Annual Dinner in Rockville may remember seeing the video of this paraphrased quote:

"Since I came to the Mission and became a part-time worker I have not taken any medication or injection. If I have any pain I pray to God to let my body be free from the spirit of pain or fever. So, the next day I come to work again. Since when I know God, no one in my family (I and my wife and children) has gone to any hospital at all. If everyone were like us the hospital people would go on strike."

The Lord sustains this dear Krobo brother as he faithfully seeks first the kingdom of God.

Pastor O. installing a gutter to collect the heavy rains and sharing God's Word with students at Loved By Jesus School

In the U.S., the Lord has put it on Mrs. Anne Annable's heart to serve with us in Ghana from February into June. Anne is an experienced teacher and will teach students daily at Loved By Jesus School. She will also lead teacher seminars and work alongside our shop and office staff. There will be opportunities to touch many lives with the love and truth of Jesus in this sun-scorched land (Isaiah 58:6...). As you pray, please remember Anne as well as the Krobo children and women whom she will minister among.

We are encouraged that plans are being finalized to send a 40' container to Ghana. A vehicle has been provided, along with many other generous donations and various discarded treasures which we will redeem for useful purposes there. Renee Carlson continues to inventory and pack weekly, and God has provided Jim Bradley and John Sanders to coordinate the shipment. Lord willing, the container will be loaded in Rockville in the weeks ahead. It is amazing to watch Him orchestrate things step by step.

Jesus beckons each of us: "Come to me, all you who are weary and burdened, and I will give you rest ..." Pray with us that the Co-Mission would faithfully point people to the Redeemer and restorer of lives.

"Seeking first His kingdom with Christians globally"
