

Christ's Co-Mission International

January 2006 Newsletter

2005 has brought new opportunities to touch lives with the love & truth of Jesus, to find avenues to minister economic relief via employment, and to improve many aspects of Loved By Jesus School (grades K – 7th).

Outreach

Job development

Compassion

2006 will surely bring challenges, but by God's grace we anticipate significant development in such areas as leadership training, Bible studies, gardening projects, school improvements & expansion, job creation, etc.

School garden

Classroom improvements

Expansion

Priorities

For those who desire to participate in this Co-Mission we welcome you to:

- Intercede;
- Share CCMI Newsletters and web-site with others who may be interested;
- Help us acquire various low-skill production equipment/machinery in the US that can be shipped to create more jobs for struggling believers to better care for their families and bless their communities;
- Provide funds to purchase land, improve classrooms or \$40 - \$60 monthly to educate a whole class.

A significant focus for 2006 will be to further increase the involvement of Ghana mission Members in prayerful planning and implementation as God leads us. Together, we aim to “make disciples of all nations”, teaching loving obedience to Jesus. Here is a paraphrased excerpt emailed to us from the December monthly Gathering in Odumase-Krobo:

“With a sense of togetherness we must do our part and build ourselves by joining hands.

Through diligence and love we will see the aims and objectives coming true.”

This hint that the vision is taking root is so encouraging. We thank you for your continued prayers!
