

Christ's Co-Mission International

January - February 2005 Newsletter

CCMI has so much to be grateful for. God has been so very present this past year as we have availed ourselves for His purposes. We anticipate that 2005 will bring many more opportunities to stand with struggling Christian brothers and sisters, as well as to touch more lives for the kingdom:

Providing income opportunities for families

Loving more children

Development of skills such as gardening

More missions opportunities

May we be found faithful to God's call to go make disciples, teaching the love and truth of Jesus.

As David spends February and early March in West Africa, he will share about the recent tsunami devastation and provide opportunity for Ghanaians to offer their "widow's mite" to those whose loss is great. This is one of many ways that we find to practically disciple believers into Christ-likeness. May it be that one day our African friends will GO with us into other needy areas to extend God's love & truth.

Thank you to the students at The Cornerstone Christian School for contributing towards Loved By Jesus School's septic/ bathroom project and to Rock Kids for providing supplies for the school lunch program. As we review 2004, we are reminded that dozens of individuals and groups from Cape Cod to California and Michigan to Mexico encouraged us and participated with us in countless ways. God bless you!

"Seeking first His kingdom with Christians globally"
