

# Christ's Co-Mission International

Third Quarter 2007

The Lord's presence is increasingly evident in the mission in Ghana. The third quarter of 2007 has brought amazing developments. Two hundred and forty students completed the school year in August and parents have become increasingly supportive. In September we officially expanded Loved By

Jesus School to include junior high and we have begun a soccer program. Our Scripture Read & Share program is growing. We had the opportunity to pray for personal requests of the District Chief Executive. Teachers are catching the vision to be interceding for their students and our older youth helped run the Vacation Bible School. Additionally, we have been able to encourage a local orphanage. Equipment maintenance has improved and stolen goods have been recovered with the thief stating that he has "repented". Your prayers, the efforts of Ghanaian staff, and God's faithfulness are bringing forth fruit.

On the US side, in the midst of preparing for our second large shipment, we were contacted by friends who were distributing and clearing out remaining items from a local Christian school that had closed. They indicated that they had various items for the mission if we could use them. Not only did God provide treasures that we had hoped for but He is faithful to continue their usefulness for His Kingdom despite the closing of the CT school. May the hand of God be strong to have the shipment realized in the weeks ahead.

As CCMission's affiliate completes its fifth year, it is evident that our developmental and biblical approach to economics, education, and practical Christianity is becoming accepted and increasingly respected in the Krobo community. We are thankful to the Lord for His encouragement and for several who participate together with us in this Co-Mission. Please continue to pray that His kingdom would come on earth as it is in heaven.

While school was on vacation, the Lord sent us several people who needed employment. The improvements are significant.

*"Seeking first His kingdom with Christians globally"*
